On behalf of the SILA - IWCL membership, we would like to express our most sincere gratitude for your generous donation to the 25th SILA International Charity Bazaar. Due to your charitable financial support, we will be able to accomplish our mission to help children in need in Slovenia.

With your assistance, we raised over 42.000 euro at this year's charity event, with the entire net profit being donated to the following carefully selected organizations:

1. **Organization ALTRA** provides care, help and support for people with mental health problems and their relatives in Slovenia. They will get a car to help them provide their services.
2. **Ljudska univerza Jesenice** and project "Elderly for Elderly" will support Elderly persons with low income with orthopedic products.
3. **VDC Novo mesto** will get therapeutic devices persons with severe mental disorder.
4. **ASPI**, the organization for adults with Asperger's syndrome and their parents will get financial support to renovate their premises.
5. **Ljudska univerza Krško** needs school supply for children
6. **MOCIS Slovenj Gradec** will receive furnishing for a **Multi generation center**.

Together we will make a difference in the rural areas of Slovenia by focusing on projects for the elderly, for mental health services and by furnishing a multi-generational home.

Thank you once again for the kindness, solidarity and effort that you put into making this Bazaar such a notable success. Your participation is very important to us and we are looking forward to cooperating with you again next year in order to continue to make a positive difference in Slovenia.
